## WORD OF THE DAY ([Genesis 39:7](#))

*“ And it came to pass after these things, that his master's wife cast her eyes upon Joseph; and she said.”- NKJV*

### MEDITATE ON THIS ( [Aggressive Temptations](#) )

Dear brothers and sisters in Christ,

As we strive to live a life pleasing to God, we must be mindful of the temptation that surrounds us in this world. We must find a balance between being present in this world as a witness for Christ and being cautious not to be influenced by the things of this world. This balance can be intricate and interesting, but it is essential to our mission.

In the story of Joseph, we see an example of a man who faced temptation while he was simply going about his daily business. Potiphar's wife had been persistently harassing him, but Joseph did not yield to her advances. Even when she became forceful, Joseph refused and ran away. Joseph's example reminds us that we too must be vigilant in our fight against the temptations of this world.

As we encounter temptations, let us follow Joseph's example and flee. We should cut off unhealthy relationships, avoid places where we will be tempted to sin, and stay away from situations that may lead us to gossip or gamble. We must be proactive in our approach to temptation and be willing to aggressively flee when we must.

As we navigate this world, let us remember that we are not alone in this fight. We have God by our side, and we can draw on His strength and power to resist temptation. Let us stay close to Him through prayer and study of His Word, and may His Spirit guide us in our efforts to live a life pleasing to Him.

May the peace of Christ be with you always. Amen.

- *Your brother in Christ, WNL*

## THOUGHT FOR THE WEEK

When temptations hits hard, hit back harder and run.

## PRAYER FOR THE WEEK

O gracious Lord, As we strive to do your work in this world, we recognize that idleness can be a breeding ground for temptation. We pray that you would give us the strength and focus to stay busy with your work and resist the wiles of the devil. But we also know that even when we are busy doing your work, temptation can still rear its ugly head and attack us aggressively. In those moments, we pray for the courage to never compromise, never hesitate, and always resist and flee. In Jesus name we pray, Amen.
